Agenda Items

- Welcome Back! – Quick review of last meeting
- Update on Business Grant Program
- Discuss and finalize geographic boundaries
- Discuss strategy for developing priority areas

Action Items from the Meeting

- **The LPT approved the following Transforming Safety boundary definition: “City of Grand Junction and any unincorporated areas of Mesa County”.**
- The LPT will receive an updated LPT member list with email addresses
- The LPT will receive an excel spreadsheet on information regarding current Transforming Safety grantee programs
- The LPT will receive a survey to help identify priority target groups, program activities and services, and the expected change/impact/outcomes. The input

gathered will help inform, not dictate, the LPT's conversation. The purpose is to gather each LPT member's initial thoughts/ideas/insights on the needs experienced by the community. Things may be added, changed or modified during the LPT's conversations.
