

DreamSpring

Funding business dreams, vitalizing communities.

Dear Valued Client:

I am delighted to share with you some exciting plans we have to enhance our service to you. In the months to come, we will be adding useful tools, refining our technology systems and offering additional financial products to support your business dreams and help springboard your success.

Also, to better reflect our organization's mission, goals and belief in the power of entrepreneurship, we have changed our name from Accion serving Arizona, Colorado, Nevada, New Mexico and Texas to DreamSpringSM. **We are still the same organization and team** -- always striving to improve -- just with a different name!

Our new name, which coincides with 2019 being our 25th Anniversary, celebrates and honors the vitality, hope, renewal and opportunity small business owners bring to communities. And, we know that the loans we provide help spring many business dreams into action. Our re-branding process will continue to occur over the summer.

Please feel free to reach out to our team at 800-508-7624 or info@DreamSpring.org if you have any questions.

We are excited and grateful to be able to serve you.

Very warm regards,

Anne Haines
President/CEO | DreamSpring
